**INDEPENDENT AUDITOR'S REPORT**

---

To: The Owner and management of Sakaeronavigatsia LLC:

**Opinion**

We have audited the accompanying special-purpose financial statements of non-state retirement benefit plan (RBP) of Sakaeronavigatsia LLC (the Company) as at 31 December 2023.

In our opinion, the accompanying special-purpose financial statements are prepared, in all material respects, in accordance with the accounting policies disclosed in note 2 to the financial statements.

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Group in accordance with the ethical requirements of the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Emphasis of Matter – Basis of Accounting**

We draw attention to note 2 to the special-purpose financial statements, which describes the basis of accounting. These financial statements have been prepared to present financial position, financial performance and cash flows of a non-state retirement benefit plan founded within and by the Company for the benefit of its voluntarily participating employees in accordance with the applicable Georgian legislation (i.e Georgian Law on Non-State Pension Insurance and Provision, etc). Therefore, use of these special-purpose financial statements by persons other than those with knowledge of the relevant regulations and the rules of the Company's non-state retirement benefit scheme may not be appropriate. Our opinion is not modified in respect of this matter.

**Responsibilities of Management for the financial statements**

Management is responsible for the preparation and fair presentation of the special-purpose financial statements in accordance with the accounting policies disclosed in note 2, and for such internal control as management determines is necessary to enable preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's responsibilities for the Audit of financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these special-purpose financial statements.

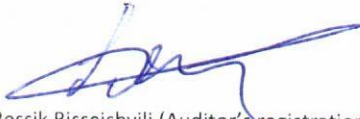

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The partner in charge of the audit resulting in this independent audit report is Mr. Bessik Bisseishvili.
